CLEAN VERSION OF AMENDMENTS

IN THE CLAIMS

Please add claims 18-22, as follows:

2

_	1	18. The electron gun of claim 1, the first hole portion having one shape selected from
	2	among circular, vertically elongated, and square.
	1	19. The electron gun of claim 13, the first hole portion having one shape selected from
	2	among circular, vertically elongated, and square.
	1	20. An apparatus emitting electron beams, the apparatus comprising:
!	2	at least two cathodes emitting electron beams, said at least two cathodes being arranged
l	3	substantially in a horizontal line; and
	4	a control electrode having first hole regions, each one of the first hole regions including a
	5	first vertically elongated indented portion formed at an output side surface of said control electrode
	6	and including a first hole portion formed in the first indented portion, at least one of the electron
	7	beams passing through said control electrode.
